PROJECT FEATUTRES

SERENE SPACE FOR A MINDFUL LIVING.

REEM ISLAND PLOT, ABU DHABI

Away from the bustle of the city life, discover a lifestyle that brings together health and luxury in a prime waterfront location.

Inspired by the serenity of nature, Seamount Autograph Collection Residences at Reem island, Shams, offer a lifestyle defined by sea, light and refinement. Composed for a unique design-led lifestyle, Seamount Residences becomes an urban retreat that promotes wellness and active living.

With two sculpted towers rising above a shared podium, enjoy panoramic sea views, hotel-style living and seamless access to the promenade, offering you the perfect balance of sophistication and comfort.

Shaped by the design principles of Marriott's Autograph collection, the elegant spaces are curated with natural materials, generous space and soft architectural flow that ensures a high quality finish. From one-bedroom sanctuaries to waterfront townhouses and penthouses in the sky, Seamount Residences is a branded address that moves at the rhythm of the sea and sky.

From starting your day with a sunrise swim to hosting in your private garden, this is where presence is effortless and living is elevated.
